Veteran NC Author Brings African American History to Life

July 30, 2010 – Watch history come to life before your very eyes! In the hands of a skilled North Carolina writer, historical facts have been woven into a stirring story of inspiration. Parson Place Press is pleased to announce the publication of *From Slave to Governor: the Unlikely Life of Lott Cary*. This 228-page soft-cover book will both inspire and encourage you with Lott Cary's life story of faith and triumph over slavery, hardship, and conflict, both in America and in the struggling American settlement in West Africa which became the free nation of Liberia. You simply have to read it to believe it!

Your heart will be touched as you read this moving story about Lott Cary and all of his life's accomplishments. You will also learn little-known aspects of history, geography, cross-cultural relationships, and religious and spiritual understanding. This truly is a Christian classic in the making.

Since 1995 the author (Perry Thomas) and his wife have lived in Raleigh, but before that they spent thirty years in Indonesia. Bringing up two sons in a place so distant from their own homeland gave them special insight into what Lott Cary had to face nearly two centuries ago, when he took his wife and children to the continent of his ancestors. Perry Thomas has written more than sixty books under various names, including *Good News from Indonesia: Heartwarming Stories from the Land of the Tsunami* (Parson Place Press, 2008) and *Exploring Church History: 20 Centuries of Christ's People* (World/Nelson, 2005), as well as numerous articles for various Christian publications.
